STOP INFANTICIDE!

Some states are proposing laws to expand abortion AND to repeal laws providing specific protections for babies born alive after surviving an attempted abortion. (In a successful abortion, the life of the baby in the womb is ended and this is never morally acceptable. We continue to promote laws to protect babies in the womb). A particular piece of legislation -**The Born-Alive Abortion Survivors Protection Act** (S.311/H.R.962), would provide protections nationwide to help prevent newborns from being killed or being left alone to die.

Sadly, the United States has failed to pass the **Born-Alive Abortion Survivors Protection Act** (S.311/H.R.962), which protects babies who survive an attempted abortion from infanticide. But there is still hope for this bill!

If the US House of Representatives passes the bill, it would put significant pressure on Senators who voted against the bill to reconsider their vote.

Tell your US Representative that ALL new born babies deserve care & a chance for life!

Please take Action Now:

Tell Congress we need stronger laws to protect babies who survive abortion and are born alive. Text **ALIVE** to **50457** or visit: www.babiesbornalive.com. You will receive a reply to the text with a link with a prepared message, you will enter your information and hit "send."

It only takes 2 minutes!

Next weekend, our special collection is for the Catholic Communication Campaign.

This campaign connects people with Christ in the United States and in developing countries around the world through Internet, radio, television and print media.

Fully 50% of the funds collected will remain in the Diocese of Metuchen to fund local communications efforts. Your support helps to spread the Gospel message.
