MARRIAGES: Specific time is set for the celebration of marriage on Saturdays. The common Policy for all the Dioceses of New Jersey requires a period of preparation for the sacrament of Marriage, which includes sessions with the parish priest and attendance at either the Pre-Cana conferences or the Engaged Encounter Weekend. Therefore, arrangements are to be made at least one year in advance and before any social plans are finalized.

FIRST PENANCE, FIRST EUCHARIST, CONFIRMATION: Though immediate preparation is given to children before receiving these sacraments, it is expected that children receive a Christian education within their family life, through formal religious education classes, and by attending Sunday worship services.

PASTORAL CARE OF THE SICK: Arrangements for Communion Calls to the sick at home may be made by calling the Parish Office.

PARISH REGISTRATION: Our parish welcomes new members to our faith community. Catholic persons new to our area must complete a registration form and be interviewed by the pastor. Please call or stop by the Parish office to complete a registration form. We should also be notified if your address has changed or if you are leaving the parish..

First Reading - Amos said, "The Lord took me from following the flock, and said to me, Go, prophesy to my people".

Second Reading - The God and Father of our Lord Jesus Christ has blessed us in Christ with every spiritual blessing.

Gospel - Jesus summoned the Twelve and began to send them out two by two.

ON THE ROAD

From the time they were called by Jesus, the disciples led a wandering life. They must have watched closely as he preached to crowds both large and small, cured the sick, and forgave sins. You might think the disciples did not know enough to be trusted to act on Jesus' behalf. We hear today, however, that Jesus did send them out, but with special instructions. First, they had to travel in teams of two. Second, they were to travel light, wearing a stout pair of sandals and without a single extra item of baggage to slow them down. Third, they were to accept whatever accommodation was offered them, and not go looking for something better. Finally, they were not to force their attentions on the unwilling, but instead to move on to the next place. So ready or not, willing or not, excited or nervous, they set off in teams to do the work of healing, forgiving, and teaching. On the road of life we also follow as disciples of the Lord, we do better when we work with other people. We can pray in private, read our Bible alone, follow particular devotions on our own, and these are all good for building up our spiritual life, but our faith only flowers when we share it in the community. Parishes rely on groups of committed people to serve. Some ministries serve other parishioners, such as bereavement ministries, and religious faith formation. Others serve people in the wider community, such as RCIA teams, evangelization groups, community blood drives, or Habitat for Humanity. Join a ministry and live a fuller life!

**National Natural Family Planning
Awareness Week July 25-31**

Natural Family Planning (NFP) is fertility awareness that can be used to naturally plan or postpone pregnancy in a healthy, effective, ecological and morally acceptable way. Couples can use the NFP knowledge to achieve, as well as to postpone, pregnancy through an awareness of natural body signs. NFP provides a personal profile of each woman's own cycle.

NFP is based on present scientific knowledge of a woman's daily fertility signs. It can be used successfully by couples in regular or irregular cycles, while breastfeeding, during premenopause, as well as when attempting to achieve a pregnancy.

The NFP courses are offered in a series of four classes spaced approximately a month apart.
